VINYLEFX OUTDOOR DURABLE

Coated with a permanent pressure sensitive acrylic adhesive, RTape metalized VinylEfx® films are designed to duplicate the look of metallic finishes in a variety of distinctive eye-catching patterns. VinylEfx® films are hot-embossed, which produces deeper, better defined patterns for a more realistic appearance. RTape's durable series metalized films provide long-term indoor use as well good outdoor durability. All VinylEfx® films are printable using screen print, digital print and offset inks formulated for pressure sensitive vinyl films.
